THE SECRETARY TO GOVERNMENT,
LAW (EDUCATION) DEPARTMENT,
M A D R A S.

Sir,

With reference to G.O.No.1861 Mis. L.E. dated 5-9-1929, I have the honour to submit herewith a copy of letter dated 8-11-1929 from the Secretary, Depressed Classes Mission, Mangalor In the circumstances stated therein, sanction may be accorded for the location of the Adult Education class at Derebail.

I have the honour to be,
Sir,
Your most obedient servant,

R.R. 25/11 for Director of Public Instruction.

Copy of letter dated 8-11-1929 of the Secretary, The Depressed Classes, Mission. Mangalore.

Ref:- Your R.C.No.1259/29 dated 23-9-1929.

With reference to the G.O.No.1861 Law (Education) dated 5-9-1929, communicated to me with your endorsement quoted above I have the honour to bring the following facts for your kind consideration.

In our letter No.15/29-30, dated 7-5-1929 and in our previous letters on the subject, the Mission has undertaken to do Adult Education work in the centres in which they own school buildings and for that purpose Attavar and Derebail

As far as I am aware at no time the Mission to start Education centres, the Mission also addressed the Commissioner of Labour and obtained sanction for the retransfer of the Day Schools at Attavar and Derebail to the Management of the Mission from the Labour department But the G.O. referred to above requires us to open Adult Education classes at Boloor centre where the Mission does not own any building nor could it secure one for rent. The Mission proposes to open the centre at Derebail in the school building belonging to the Mission situated in one of the Mission's colonies. Derebail is more central than Boloor as it will serve more centres than one including Boloor and Bijai where the Mission has also one colony. Therefore, I request you to be good enough to permit us to open the centre at Derebail from 1st December 1929, the date on which we have arranged to take charge of the day school from the Labour Department

As soon as the G.O. was communicated, the Mission tried to secure a building at Boloor in order to give effect to the wishes of the Government. But our efforts were of no avail. So the delay in making this representation has been unavoidable.
